BETTE

mK

Technical drawing of a bathtub showing three views: top, side, and end views. The top view shows overall dimensions A (length) and B (width), with a central rectangular inset of width K and a circular hole of diameter Ø52. The side view shows the bathtub's profile with a height of 560 mm and a base width of 20 mm. The end view shows the bathtub's cross-section with a height of 420 mm and a base width of 140 mm. The end view also shows the bathtub's internal structure, including a central rectangular inset of width I and a circular hole of diameter Ø52. The end view is divided into sections C, D, and E, with dimensions F, G, and H indicating the width of each section. The end view also shows a height of 75 mm for the top rim and a height of 100 mm for the internal structure. The end view also shows a height of 140 mm for the base and a height of 560 mm for the total height. The end view also shows a height of 75 mm for the top rim and a height of 100 mm for the internal structure. The end view also shows a height of 140 mm for the base and a height of 560 mm for the total height.
