

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is centered within a larger, light gray square that has a subtle, repeating geometric pattern.

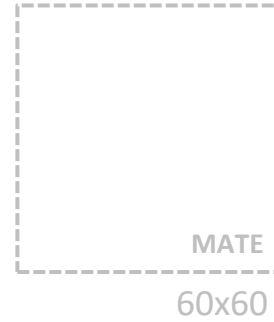

mK

A modern interior scene featuring a light-colored wooden bench with a white cushion and a mustard yellow pillow. A white knitted blanket is draped over the bench. To the left, a black metal side table holds a vase of white flowers and a small black tray. A black desk lamp is positioned on a small wooden table next to the bench. In the foreground, a wooden stump holds several white candles. The floor is made of light gray tiles. On the right, a dining table with a wooden top and a white plastic chair with a light wood base is visible. The wall behind the table is covered in a pattern of stacked wood slices. Large teal diagonal stripes are overlaid on the left side of the image.
