

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is centered within a larger, light gray square that has a subtle, repeating geometric pattern.

mK

The background image shows a modern interior space. On the right, a wall is covered in a dense pattern of circular wood slices, creating a textured, natural look. In the foreground, a white plastic chair with light-colored wooden legs is partially visible. In the background, a wooden bench with cushions and a white blanket sits near a window with sheer curtains. A black side table with a lamp and a stack of books is also present. The floor is made of light-colored tiles. Large, teal-colored diagonal stripes are overlaid on the left side of the image.
