

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is itself centered within a larger, light gray square frame.

mK

The background image is a photograph of a modern living room. The walls are covered in large, light-colored rectangular tiles. A fireplace with a black frame is set into the wall. A white sofa and a matching ottoman are positioned in front of the fireplace. A low, white coffee table holds several books. A geometric, wireframe pendant light hangs from the ceiling. To the left, a staircase with a wooden railing is visible. The floor is made of large, light-colored tiles. The entire image is overlaid with a large, dark blue 'X' shape.
