

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is centered within a larger, light gray square that has a subtle, repeating geometric pattern.The background image shows a modern interior space with white marble walls and a dark, veined marble floor. A reception desk with a 'RECEPTION' sign is visible on the left. In the center, there are three wall-mounted analog clocks labeled 'New York' and 'Rio De Janeiro'. To the right, a dining table with black chairs is set near a window with a decorative hanging light fixture of silver spheres. Large, diagonal teal overlays are present across the entire image.
