

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is placed within a larger, light gray square that has a subtle, textured pattern.The background image shows a modern outdoor lounge area. In the foreground, a white sectional sofa with several pillows sits on a light-colored tiled floor. To its right is a low, organic-shaped coffee table with a vase of purple flowers. In the background, there is a dining table with chairs, a large white screen, and a swimming pool. The scene is framed by large, overlapping purple geometric shapes.
