

The logo consists of the lowercase letters 'm' and 'K' in a white, serif font, set against a black square background. This square is placed within a larger, light gray square that has a subtle, repeating geometric pattern.The background image shows a modern restaurant interior. In the foreground, there are several light-colored wooden chairs with curved backs and orange seats. The floor is covered in large, dark gray square tiles. In the middle ground, there are long wooden tables with black metal legs, each with a small potted plant. To the right, there is a long, tufted leather booth with several brown and purple cushions. In the background, a staircase with a black metal railing and a concrete wall is visible. The overall aesthetic is clean, industrial, and contemporary.
